

WORLD OF RADIO #928, produced Feb 11, 1998 by Glenn Hauser

- *Standard disclaimer
- *Additional underwriters to last week: Donna Ring, L. Marie Haun, Pete Bentley. Thank you!
- *February Continent of Media, exclusively for RFPI, topics, times
- *RFPI has resumed 6980-USB at night instead of 15050-USB
- *Winter SWL Fest approaching, March 13-14 in Pennsylvania; info by clicking on yellow icon at <http://www.trsc.com>
- *Review: Passport to Web Radio is a waste of money
- *Canada moves antenna beams further west in North America
- *WWBS, Georgia, tests delayed while inspector is in hospital
- *Heavily armed militiaman arrested at WEWN
- *More public radio programming accessible in Washington; new shows include a dumbed-down version of BBC's My Word/Music
- *Washington DC talk station goes business and will swap frequencies
- *Dallas-Fort Worth airport stations have new callsign
- *Not WCMQ Miami, but sister station converting to R. Unica
- *R. Sandino, Nicaragua, seized for debts
- *Ecuadorian heard very late on 60 meters
- *The non-commercial and non-governmental American DX program, World of Radio, No. 928; P O Box 1684, Enid, OK 73702 USA; wghauser@hotmail.com <http://www.grove.net/~ghauser>
- *Those not on the web may get a WOR schedule for a SASE in NAm, SAE and 1 IRC elsewhere to above address. Specify if you want SW only, or entire schedule including AM, FM, satellite
- *Lesotho heard without interference but with its own feedback
- *Kisangani, Congo resuming far-out-of-band SW frequency
- *Iceland on another far-out-of-band 19mb frequency; E-mail addr
- *BBC previews: International Recital with Arabic music; Waveguide
- *R. San Marino International maintains it was there; San Marino government say it was not
- *English SW broadcasts from Belarus
- *R. Maryja heard with V. of Russia co-channel
- *R. Baku, Azerbaijan has one English half-hour
- *Nepal heard on harmonic
- *New SW station in Yakutsk, Siberia
- *NZ opposition promises to revive RNZI if it is closed
- *Goofy quirks of the Radio Shack DX-375
- *Solar flux in the 80s, mediocre reception
- *Propagation outlook from Boulder, Feb 10
- *W.O.R. 928; Glenn Hauser hoping you'll listen again next week ####
